

Fruita United Methodist Church

Vision

We can envision a day when persons of all ages and backgrounds in our community will find our church a comfortable and inspirational place to worship.

Multiple generation will discover ministries that address their needs. It will be a place friendly to children and youth with opportunities to grow and relate. Parents of young children will find quality childcare and personal spiritual growth. Members will be challenged to reach out to those in need in our community and world and become Christ's hand through invitation and service.

Mission

We are called to be Christ's hands:

To one another by

- Creating transforming worship experiences
- Creating an open invitational style of outreach
- Developing ministries to young families with children

To the world by

- Embracing persons of diverse backgrounds
- Feeding the hungry
- Responding to human agony and need as they present themselves

To the end that, through us, other will experience the touch of the Master's hand.
